RE: Ed Jurak – Project Superintendent
Lakes at Ashbrook Phase II

Dear Jeff:

On behalf of Atlantic Realty Companies, I would like to express my gratitude to Ed Jurak for his diligence, persistence, and exemplary work on the aforementioned project. I have received many compliments recently from our owners, Loudoun County officials, and LCSA staff regarding Ed's organization and timeliness. He was able to keep our project on schedule working with a challenging steel sub that required his constant supervision and the addition of our individual suite demising work. If you need references for upcoming jobs in which Ed will be participating, please offer my information. I would also ask that Ed be considered for future Atlantic Realty projects with Trinity Group Construction.

Best regards,

Vanessa Ryan
Construction Manager
