RE: **Metro Offices** @ 8300 Greensboro Drive

Dear Flip:

I wanted to write this letter to thank you for the excellent work and service that was provided on the Metro Offices project by Trinity. Throughout the entire construction process, each individual from your company performed in manner that exceeded our expectations – that were high to begin with! Jeff Black did a wonderful job managing the project, and Mike kept it on track with his steadfast supervision. You guys had a schedule that was more than aggressive and we appreciate the fact that you met every goal.

It is a pleasure for me to write this message – I have not had the chance to write one like this in a long time! I look forward to the next IDG/Trinity project, and I know that Metro Offices is anxious to get you on one of their projects also.

Sincerely,

A handwritten signature in black ink, appearing to be 'PE' with a stylized flourish.
