### **TRINITY GROUP CONSTRUCTION AWARDED CONTRACTS VALUED IN EXCESS OF \$30 MILLION**

*3-year old firm continues to capitalize on past relationships*

Herndon, Virginia – TRINITY Group Construction today announced that it has been awarded multiple contracts worth approximately \$30 million. The projects range in scope from one-story office/flex buildings to an 80,000 square foot Class-A office building and are being developed by some of the most prominent names in the Washington real estate market.

“We’re very excited about the rate at which we’ve been able to expand our scope of services in such a short time” said Jeffrey Black, Executive Vice President. “Since we opened our doors three years ago, one of the hallmarks of our company has been the emphasis that we put on the relationships with our customers – and it’s because of these relationships that our clients have turned to us for new projects time after time.”

Included in the recent contracts awarded to TRINITY Group Construction are projects being developed by the following organizations:

The Mark Winkler Company: Northridge project in Westfields Business Park, Chantilly, Virginia, three (3) one (1) story office/flex buildings.

Atlantic Realty Companies: 400 S Maple Avenue project in Falls Church, Virginia, an 80,000 square foot, four (4) story office building with a 100,000 square foot parking garage; Lakes at Ashbrook Phase II project in Ashburn, Virginia, three (3) two-story office buildings.

The Morrisette Family: West Springfield Business Center project in Springfield, Virginia, one (1) one (1) story 91,000 square foot “tilt-up” flex building.

Additionally, TRINITY has also been awarded the contract for the renovation/addition of the O.W.L Firehouse in Woodbridge, Virginia as well as several large tenant contracts.

The principals of TRINITY Group Construction have over 50 years of combined experience and offer a wealth of medium- to large-scale building expertise. TRINITY has redefined the meaning of full-service commercial construction with it’s ability to provide a complete service package including representation, consulting, management, contracting and design/build offerings. TRINITY’s team is skilled in bringing concepts to life, but it is their expertise at building relationships that has distinguished them over the years. Their growing list of satisfied customers will attest, from the moment TRINITY Group Construction, Inc. is engaged by a client, that client’s project is a priority. Whatever the scale of construction, TRINITY’s personalized service and genuine enthusiasm tower above the rest.
